

Calling all double quartets!

It's that time of year again: time to get your double quartet together for the **Summer Music Camp Double Comedy Quartet Competition**. The competition will be held on Friday, June 20, at 9:00 pm, right after our last class that day. Here are the rules:

1. Notice the description above says "COMEDY"! Your performance must be just that: COMEDY! Sing music that's funny or change the lyrics to a song. Use props, costumes... whatever you need to make it hilarious! Be creative!
2. Quartets will be allowed to sing ONE song, either ballad or uptune. The song does not need to be contestable.
3. You must have **eight** quartet members; two of each voice part. No four members can currently be singing in a competing quartet — we're trying to make it fair for everyone and reduce the likelihood that two competing quartets will merge to make a double quartet, or that one competing quartet will just find four more with whom to sing.

If you want to compete, please e-mail Annette Gary at barihappy@sbcglobal.net **no later than May 15, 2008**. Include the NAMES and VOICE PARTS for each member along with your quartet name. Prizes will be awarded to the winners!

We'll take the first eight (8) quartets that register!
